

## PRESS RELEASE - PRO HANDS hand exercisers

May 2010

New for 2010 Brand Fusion International Ltd are pleased to be distributing the Pro Hands range of Hand exercisers.

Pro hands exercisers are unique in that each finger can be exercised and strengthened individually.

Pro hands come in 2 ranges and a wide variety of tension settings: 'Grip Master' and 'Pro'. They are available to the retailer in individual blister packs or as an attractive counter top display unit. The Pro range is additionally available with a DVD by world renowned golf tutor, Hank Haney.

Grip Master Range - Pro hands' signature model. Ideal for any golfer wanting to develop hand strength, dexterity and endurance.

Pro Range - The most advanced exerciser. ideal for professional golfers and motivated individuals seeking maximum performance.
